

9 August 2013

**Romania Green Building Council
Bucharest, Romania**

Understanding the Living Building Challenge provides a 6-hour in-depth introduction to the Living Building Challenge. Attendees are the green building leaders in their community: design professionals, contractors, developers, owners, government officials and employees of public agencies. In short, anyone and everyone who can impact the development of the built environment. See www.Living-Future.org for more details.

The course, the first in Europe, will be taught by **arch. Adrian Pop**, advisor to the RoGBC for the Living Building Challenge, member of the 2012 PRISPA team, and green building advocate.

Workshop Overview:

10:00-11:00 The Philosophy of the Living Building Challenge / Petal rationale + strategies: Site
11:00-11:15 Coffee Break
